

NWEA/MAP Testing

NWEA/MAP testing will take place on Wednesday January 24 and Thursday January 25. MAP is an adaptive test that helps determine students' strengths in reading and math. As a school, we use the results from MAP to determine specific student needs including additional supports or enrichment opportunities. Please contact Natalie Soelke, Assistant Principal of Teaching and Learning, if you have any questions.

Reminder to discuss and complete course selection form for next school year.

Notes to Note

Notes from the Main Office

Please make sure to call the attendance line if you need to pick up your child early for an appointment. You can leave a message the night before for an a.m. appointment. If it's last minute, we ask that you call and talk to someone. It helps to have a pass delivered to the student early in the day so they are in the office when you arrive. Please always have your photo ID ready to sign the student out. When dropping off a student, you do **not** need to come in. The student can sign themselves in.

Meal Menus can be found here: <http://www.fdmealplanner.com>. Please type in Yorkville, and then click on Yorkville Middle School. Nutrition info and menu descriptions can also be found here.

Note from the Nurses' Office

Please remind your child/ren that phones should be off and away. Students should always report to the nurses' office if not feeling well. Any student who texts to go home without going to the nurse or front office will have an unexcused absence. Please reach out with any questions.
