Student & Staff Salute

Vic Anderson selected as YHS Staff Member of the Year!

Each year Yorkville High School staff select one staff member as the Staff Member of the Year. This year, YHS staff selected Vic Anderson. Throughout his tenure at Yorkville High School, Vic demonstrated an unwavering dedication and passion for music education. His commitment to excellence has led to countless state and national recognitions for our

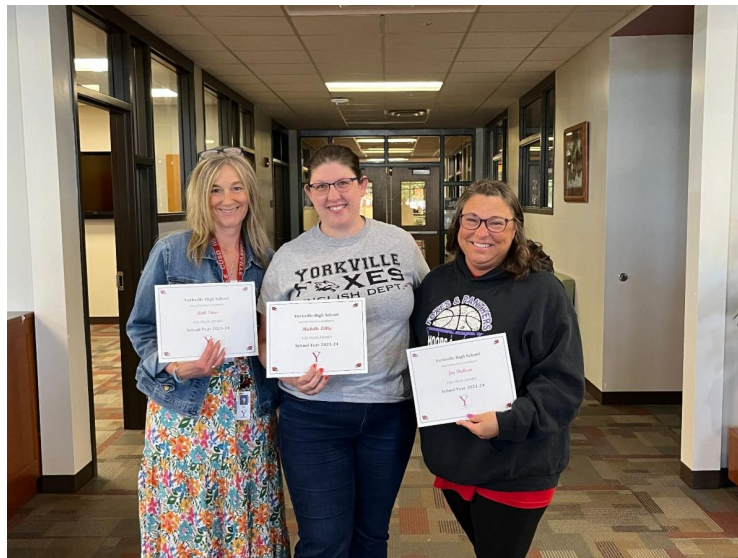

music program. He has tirelessly worked to provide our students with first-rate aspirational experiences, whether it be through collaborating with college clinicians, organizing performances at Disney, or having our ensembles perform at state-level conferences.

Mr. Anderson's impact extends beyond the classroom, as he has been instrumental in building cherished annual community events such as PRISM and the Fine Arts Festival. His dedication to nurturing talent has helped hundreds of performers earn all-state recognition, leaving a lasting legacy of excellence within our program. In his over two decades of service, he made Yorkville High School a better place for students and staff. A well-deserved recognition for an outstanding FOX! Best wishes, Mr. Anderson!

24-25 Returning Student Registration - Don't Delay ~ Do it Today!

Returning families are expected to complete the online registration process. I would like to extend my gratitude to the nearly 639 families that have already completed the online process- WAY TO GO! Families still needing to complete this process need to login to [2024-25 Returning Student Registration](#) and complete the enrollment. End of Semester Information

All semester grades will be finalized by June 10, 2024. Once the last assessment grade is entered for a class, parents/students will be able to see their final semester grades. These can be viewed by clicking on the Classes icon in the Home Access Center (HAC). Students can retake the last assessment at their request (after completing the required re-learning) and must sign up for the Den/Testing Center on their own. All retakes must be completed by **June 20th**.

Second-semester grades will be posted under the Grades icon on June 10th at 5:00 pm. Please understand that report cards include G.P.A., credits, and Honor Roll calculations. The Grade Point Average (GPA) listed is a weighted GPA that means students who took honors/Advanced Placement (with some additions) receive an additional grade point for a grade of C or better. For example, a student who received a "B" in English 1 Honors would earn 4.0 grade points versus a student who earned a "B" in English 1 who would receive 3.0 grade points.

Finally, please note that we do not mail home paper reports. Families who don't have access to technology or would like a paper copy should contact Patty Luptak at pluptak@y115.org or 630-553-4380 ex. 5358 for paper copies or for Home Access Center issues.

Grade	Meaning	Regular Course	Weighted Course
A	Excellent	4.0	5.0
B	Beyond Satisfactory	3.0	4.0
C	Satisfactory	2.0	3.0
D	Below Average	1.0	1.0
F	Failure	0.0	0.0

Testing Center Hours

Does your student have a retake or need to take an assessment after June 6th? The main campus Testing Center will be open weekdays from June 7th-June 20th (closed June 19th) during the hours from 8:00 am to 1:00 pm. Students will have access to sign themselves up similar to the process used throughout the school year for the testing center utilizing [THIS LINK](#). Please notify your teacher if you plan to take any tests so that they can provide the Testing Center with either physical copies or testing codes required to access a test on Canvas. **Finish strong, FOXES!**
